PHASE 2 FILM #1: IRON MAN 3

- **Release date: Friday, May 3, 2013.** The first Friday in May, Marvel's summer-opening slot for the fifth year in a row. It's one year after *The Avengers*, and it comes two weeks ahead of *Star Trek Into Darkness* (May 17). It's also Disney's first solo Marvel release after *The Avengers*.
- **Why Phase 2 opens with Iron Man:** Tony started everything, and after *The Avengers* he pays for everything. Phase 2 opens by asking what the team's founder does after saving the world, and gives Tony his biggest power upgrade from 616: **Extremis**.

PHASE 2 FILM #2: THOR: STORMBREAKER

- **Release date: Friday, July 26, 2013.** It's the heart of summer. In the real world *The Wolverine* held this slot, but that film doesn't exist in our reality, so the weekend is open. It comes twelve weeks after *Iron Man 3* and a week after *Pacific Rim* (July 12) and *R.I.P.D.* (July 19).
- **Comics:** Walter Simonson's *Thor* #337–349: **Beta Ray Bill** and **Malekith**.

PHASE 2 FILM #3: FANTASTIC FOUR

- **Character(s): The Fantastic Four:** Mr. Fantastic, the Invisible Woman, the Human Torch and the Thing. First appearance: *Fantastic Four* #1 (November 1961), Stan Lee & Jack Kirby.
- **Why third:**
- **They're Marvel's first family.** *FF* #1 started the Marvel Age of Comics, two years before the Avengers and the X-Men. We held them back on purpose, and now they arrive.
- **They bring the cosmos.** Through the FF, 616 introduces **the Watcher, the Silver Surfer and Galactus**. On 616, **the Silver Surfer is a key player in *The Infinity Gauntlet***. Phase 2 needs him on the board.
- **They bring Doctor Doom**, the greatest villain Marvel has.
- **They balance the X-Men.** The FF are the heroes the public **loves**. The X-Men are the ones it fears.
- **Release date: Friday, November 8, 2013.** Marvel's fall slot, **52 years almost to the month** after *FF* #1 (November 1961), in the slot *Thor: The Dark World* held in the real world (a film that doesn't exist in ours), two weeks ahead of *The Hunger Games: Catching Fire* (November 22).
-  **Casting:** the FF are played by real actors, and the showrunner picks. The recommendations are in the dossier.

PHASE 2 FILM #4: CAPTAIN AMERICA: THE WINTER SOLDIER

- **Release date: Friday, April 4, 2014.** Early spring, with a clear runway before the summer season. It's Cap's first film set in the present day.
- **Comics:** Ed Brubaker's "Winter Soldier," *Captain America* vol. 5 #1–14.

PHASE 2 FILM #5: THE AMAZING SPIDER-MAN

- **Character:** Peter Parker / Spider-Man. First appearance: *Amazing Fantasy* #15 (August 1962), Stan Lee & Steve Ditko.
- **Why fifth:** he's **Marvel's flagship character**, and we own him. He hasn't appeared in the MCU yet. He meets the FF straight away, as on 616 (*ASM* #1), and he gives Phase 2 its first street-level hero.
- **Release date: Friday, May 2, 2014.** Marvel's first-Friday-in-May slot, four weeks after *The Winter Soldier*.

PHASE 2 FILM #6: GUARDIANS OF THE GALAXY

- **Characters:** Star-Lord, Gamora, Drax, Rocket, Groot, Mantis and **Adam Warlock**, from the 616 team of 2008.
- **Why sixth: the Thanos Quest needs the cosmic side.** On 616, **Gamora** is Thanos's adopted daughter, **Nebula** is his "granddaughter," **Drax** was **created to kill him** (*Iron Man* #55), and **Adam Warlock holds the Soul Gem**. It's Thanos's own corner of the universe.
- **Release date: Friday, August 1, 2014.** Late summer, clear of the July blockbusters.

PHASE 2 FILM #7: AVENGERS: ULTRON UNLIMITED

- **Release date: Friday, May 1, 2015.** Marvel's first-Friday-in-May slot.
- **Comics:** *Avengers* #16 (Cap's Kooky Quartet) and #54–58 (Ultron and the Vision).

PHASE 2 FILM #8: ANT-MAN AND THE WASP: YELLOWJACKET

- **Release date: Friday, July 17, 2015.** Mid-summer, eleven weeks after *Ultron Unlimited*.
- **Comics:** *Avengers* #59–60: Yellowjacket, and the wedding of Hank and Janet. On 616 it comes straight after Ultron, and so does ours.

PHASE 2 FILM #9: SILVER SURFER (Phase 2 finale)

- **Character:** Norrin Radd / the Silver Surfer. First appearance: *Fantastic Four* #48 (March 1966), Stan Lee & Jack Kirby.
 - **Why he closes Phase 2:**
 - **On 616 the Silver Surfer is a central hero of *The Infinity Gauntlet*.** He's **the first to see Thanos coming**, and he fights beside Warlock. He has to be on the board before Phase 3.
 - **The Galactus Trilogy** is Marvel's greatest cosmic story, and the FF are set up for it.
 - **It closes the Thanos Quest:** the Gauntlet is complete, Death rejects him, and Mephisto arrives, exactly as in *The Thanos Quest* #2.
 - **Release date: Friday, November 6, 2015.** Marvel's fall slot, which makes it the most important November release in the saga so far.
