THE PHASE 6 ARC: "SECRET WARS" (Hickman, 2015–16; Shooter, 1984–85)

- **The multiverse is dead.** What's left is **Battleworld**: a patchwork of **domains** cut from dead realities, ruled by **barons** and **policed by the Thor Corps**, with **Doctor Strange as Sheriff**.
- **God Emperor Doom** sits on a throne at the top of **the World Tree**, with **Sue Storm as his queen** and **Franklin and Valeria as his children**. Everyone on Battleworld believes **it has always been this way**.
- **The Shield**, a giant wall, keeps out **the Deadlands** (zombies), **Perfection** (Ultrons) and **the Annihilation Wave**.
- **The Life Raft** opens on **Tuesday, August 15, 2028**, eight months after the end (*Secret Wars* #2). **The survivors of Earth-616** are the only people who **remember what came before**.
- **The ending (the saga's two-part finale):** **Reed Richards rebuilds the multiverse**, and **Doom's face is healed**.

PHASE 6 FILM #1: OLD MAN LOGAN

- **Character:** **Old Man Logan** of the Wastelands domain (Hugh Jackman).
- **Why:** it's **the perfect way into Battleworld**. Millar and McNiven's "Old Man Logan" (2008) became a **Battleworld domain** in *Secret Wars* (2015), and Bendis's tie-in walks Logan **across the borders to God Doom's law**. Jackman is 59, the right age to play Logan **fifty years after the villains won**.
- **Release date:** **Friday, March 3, 2028**, eleven years to the day after *Logan* (real history).

PHASE 6 FILM #2: SPIDER-MAN: RENEW YOUR VOWS

- **Character:** **Peter Parker** of the Regency domain, **married to MJ**, with a daughter, **Annie** (Tom Holland's fourth Spider-Man film).
- **Why:** *Renew Your Vows* (2015) is **Spider-Man's own Secret Wars story: the Peter who chose his family. Our 616 Peter married MJ in 2022 and lost her when the world ended*, so this is the life he'll never have. The post-credit scene is Secret Wars #2: the Life Raft opens.***
- **Release date:** **Friday, July 7, 2028**. Independence Day week.

PHASE 6 SERIES #1: GHOST RACERS (Disney+)

- **Character:** Robbie Reyes / Ghost Rider, with Johnny Blaze. First appearances: *All-New Ghost Rider* #1 (2014) and *Marvel Spotlight* #5 (1972).
- **Why:** the MCU's first Ghost Rider in a Battleworld series. *Ghost Racers* (2015) puts every Ghost Rider in a death race for Doom's entertainment, which shows how God Doom keeps his world in line: bread and circuses.
- **Schedule:** 8 episodes, Tuesdays, October 3 to November 21, 2028, 44–52 minutes each. TV-MA. The Halloween episode airs October 31.

PHASE 6 FILM #3: SCARLET WITCH: HOUSE OF M

- **Character:** Wanda Maximoff, in Grace Bullock's first solo film.
- **Why:** *House of M* (2005) is the definitive Scarlet Witch story, and a Battleworld domain in 2015. It's a world built out of wishes where only one man remembers the truth, which is Battleworld in miniature. "No more mutants." The post-credit scene is Doom and Wanda (*The Children's Crusade*).
- **Release date:** Friday, March 2, 2029.

PHASE 6 FILM #4: IRON MAN: ARMOR WARS

- **Character:** Baron Tony Stark of Technopolis.
- **Why:** 616's Tony died under the Helicarrier, but *Armor Wars* (2015) gives Battleworld its own Tony: a baron in a city where everyone lives in armor, fighting his brother Arno. It's joined to the 1987 "Armor Wars": Tony destroys his own stolen tech.
- **Release date:** Friday, May 4, 2029. Iron Man's first Friday in May.

PHASE 6 FILM #5: X-MEN: AGE OF APOCALYPSE

- **Character:** Magneto's X-Men, and Bishop, the man who remembers a world with Xavier in it.
- **Why:** *Age of Apocalypse* (1995) is the definitive alternate-reality X-Men saga, and a Battleworld domain in 2015. A world that shouldn't exist fits the phase exactly. Magneto tears Apocalypse in half.
- **Release date:** Friday, November 2, 2029. Marvel's fall slot.

PHASE 6 FILM #6: CAPTAIN AMERICA: PLANET HULK

- **Character:** Steve Rogers, Doom's gladiator, and Devil Dinosaur.
- **Why:** *Planet Hulk* (2015) sends Steve and a T. rex into Greenland, the domain of the Hulks, to rescue Bucky from the Red King (Amond Baker). It sets up the Hulk army for the war.

- Release date: Friday, March 1, 2030.

PHASE 6 FILM #7: AVENGERS: BATTLEWORLD

- Characters: the Life Raft's survivors and the barons' rebellion vs. God Doom.
- Why: *Secret Wars* #2–4 (2015): Doom is God, Sue is his queen, and Doom kills Doctor Strange. Plus the two iconic beats of the 1984 *Secret Wars*: the Hulk holds up a mountain range, and Spider-Man gets the black costume.
- Release date: Friday, May 3, 2030. The Avengers' first Friday in May.

PHASE 6 FILM #8: BLACK PANTHER: THE INFINITY GAUNTLET

- Character: Shuri / Black Panther (Letitia Wright), with Namor.
- Why: in *Secret Wars* #5–8, Black Panther takes the Infinity Gauntlet against Doom, and *Infinity Gauntlet* (2015) is the Battleworld domain where the Gems are. Thanos hunts them too.
- Release date: Friday, November 1, 2030. Marvel's fall slot.

PHASE 6 FILM #9: CAPTAIN MARVEL AND THE CAROL CORPS

- Character: Carol Danvers, and the pilots of Hala Field.
- Why: *Captain Marvel and the Carol Corps* (2015) is the domain where people start to question God. Thor turns the Thor Corps against Doom. The last film before the finale.
- Release date: Friday, March 7, 2031.

PHASE 6 FILM #10: AVENGERS: GOD EMPEROR DOOM (the finale, Part One)

- Characters: every rebel on Battleworld vs. God Doom.
- Why: *Secret Wars* #5–8: the war for Battleworld. Doom kills Thanos. Shuri strikes Doom with the Gauntlet, and Doom stands up.
- Release date: Friday, May 2, 2031.

PHASE 6 FILM #11: SECRET WARS (the finale, Part Two)

- Characters: Doctor Doom and Reed Richards.

- **Why:** *Secret Wars* #9: "*You would have done better.*" Reed rebuilds the multiverse, and heals Doom's face. Earth-616 returns, with everyone. **The saga ends.**
- **Release date:** Friday, December 19, 2031.
