3. SOURCE MATERIAL (EARTH-616)

Field	Entry
Primary comic(s) adapted	<i>The Infinity Gauntlet</i> #2–6 (1991), Jim Starlin, George Pérez & Ron Lim: Warlock gathers Earth's heroes and the cosmic entities, Thanos rises beyond his body, the heroes' doomed assault and Captain America's last stand, Nebula steals the Gauntlet, Thanos helps the heroes, Warlock takes the Gauntlet and undoes it all, and Thanos becomes a farmer.
Supporting comics	<i>Avengers Forever</i> #1–12 (1998–99, Kurt Busiek & Carlos Pacheco): the title, and the theme of <i>Avengers across time</i> · <i>Warlock and the Infinity Watch</i> #1 (1992): Warlock divides the Gems among trusted guardians
Nerf check	✅ Thanos is omnipotent, and every hero who attacks him dies in the assault, as in <i>IG</i> #4. He isn't beaten. He undoes himself , which is Starlin's thesis: " <i>Deep down, Thanos believes he doesn't deserve to win.</i> "

3A. COMIC ACCURACY REPORT

Field	Entry
Overall accuracy score	94%. <i>The Infinity Gauntlet</i> #2–6 is adapted beat for beat, and the five-year gap is the showrunner's structural choice.

Straight from the page:

- **Adam Warlock returns and takes command** of the resistance (#2).
- **The cosmic entities gather:** Galactus, the Stranger, Eternity and more (#3–5).
- Warlock's plan: **a frontal assault that's meant to fail**, to exploit **Thanos's need to win, and his need to lose** (#3–4).
- **The heroes' assault. Thanos kills them one by one:** Iron Man, Thor, the Hulk, Wolverine, Namor, the Vision, **Doctor Doom** (who goes for the Gauntlet himself), and more (#4).
- *Captain America stands alone against Thanos* (#4):

"As long as one man stands against you, you'll never win."

- **The Silver Surfer lunges for the Gauntlet and misses by an inch** (#4).
- **Thanos leaves his body** to become omnipresent, and **Nebula takes the Gauntlet** (#4).
- **Nebula reverses the last twenty-four hours**, bringing the fallen heroes back, then **has to fight the cosmic entities** (#5).
- **Thanos joins the heroes** against his own granddaughter (#5–6).
- **Warlock takes the Gauntlet and restores reality** (#6).
- **Thanos fakes his death and retires to a farm on a quiet world.** Warlock is the only one who knows (#6).
- **Warlock divides the Gems among the Infinity Watch** (*Warlock and the Infinity Watch* #1).

Changes and why:

| Change | Why |

---|---

| **The five-year jump** | The showrunner's choice. It lets the film show **the cost** of the snap. |

| **Warlock reverses five years, not a day** | On 616, Warlock and Nebula undo **the Gauntlet's events**. Here the Gauntlet's events **span five years**, so the reversal does too. **The people who fought remember.** |
