3. SOURCE MATERIAL (EARTH-616)

Field	Entry
Primary comic(s) adapted	<i>"Doomquest"</i> , <i>Iron Man</i> #149–150 (1981), David Michelinie, Bob Layton & John Romita Jr.: Tony goes to Latveria to confront Doom, and Doom's time platform throws them both back to the court of King Arthur. Doom allies with Morgan le Fay and raises an army of the dead; Tony stands with Arthur, and beats Doom in single combat. The two enemies have to work together to get home. <i>New Avengers</i> vol. 3 #29–33 (2015), Jonathan Hickman: the Black Priests serve Rabum Alal, "the god-doom," who destroys worlds, and the reveal is that Rabum Alal is Victor von Doom.
Supporting comics	<i>"Doomquest" sequel</i> , <i>Iron Man</i> #249–250 (1989), Michelinie, Layton & Jackson Guice: the rematch in Camelot · <i>Iron Man</i> #225–232 (1987–88, " Armor Wars ": Tony on the run from the government, which is where the Illuminati's disgrace leaves him) · <i>Fantastic Four</i> #5 (1962, Doom's time platform)
Nerf check	✅ Tony matches Doom as an engineer, and wins the duel in Camelot (#150). Doom is not diminished: his sorcery with Morgan raises the dead, and he survives the fall of Camelot on his own. Morgan le Fay is one of Marvel's most powerful sorceresses , and she's shown as one.

What the movie is about

ACT ONE: THE GOD-DOOM

- **Monday, February 8, 2027.** The Illuminati are **disgraced**, and **Steve Rogers is back and hunting them.** Tony is **living off the grid** in a Stark safehouse in Montana. **Pepper** is running the company without him.
- **Tony has one lead.** Every **Black Priest** captured says the same name before they die: "***Rabum Alal.***" *The god-doom.* Every trail leads to **Latveria.**
- **Tony goes to Latveria alone.** Doom lets him in. They talk, and it's one of the best scenes in the saga: two geniuses **who have never been in the same room.**
- The talk turns into **a fight**, and the fight **hits the time platform.**

ACT TWO: CAMELOT

- Tony wakes up in the 6th century, with a broken suit, at the court of King Arthur.
- Doom wakes up beside Morgan le Fay, and Morgan knows exactly what he is.
- Tony rebuilds a suit out of forge iron, working with Merlin, and it looks exactly like medieval Iron Man.
- Morgan and Doom raise the dead and march on Camelot.
- Merlin, blind and ancient, tells Tony: *"The masked one isn't of this age, and he isn't of yours. I've seen the end of every world, and his face is at the end of all of them."*

ACT THREE: THE ROUND TABLE

- The siege of Camelot. Tony and Arthur's knights against the army of the dead.
 - Tony vs. Doom, single combat, and Tony wins (#150).
 - Morgan betrays Doom for Camelot's throne. Doom and Tony, both beaten, need each other to get home.
 - They rebuild the time platform, two geniuses working side by side for one night. It's the most honest they'll ever be. Tony: *"We could have been friends."* Doom: *"No. Doom does not have friends. Doom has equals. You are close."*
 - The present. Doom goes back to Latveria; Tony goes home with the answer: in the ruins of Camelot, Tony found Merlin's last carving: the Black Priests' symbol, and a mask. *Rabum Alal is Doom.*
