THE PHASE 6 ARC: "SECRET WARS" (Hickman, 2015–16; Shooter, 1984–85)

- **The multiverse is dead.** What's left is **Battleworld**: a patchwork of **domains** cut from dead realities, ruled by barons and **policed by the Thor Corps**, with **Doctor Strange as Sheriff**.
- **God Emperor Doom** sits on a throne at the top of **the World Tree**, with **Sue Storm as his queen** and **Franklin and Valeria as his children**. Everyone on Battleworld believes **it has always been this way**.
- **The Shield**, a giant wall, keeps out **the Deadlands** (zombies), **Perfection** (Ultrons) and **the Annihilation Wave**.
- **The Life Raft opens on Tuesday, August 15, 2028**, eight months after the end (*Secret Wars* #2). **The survivors of Earth-616** are the only people who **remember what came before**.
- **The ending (the saga's two-part finale):** Reed Richards rebuilds the multiverse, and **Doom's face is healed**.

PHASE 6 FILM #1: OLD MAN LOGAN

- **Character:** **Old Man Logan** of the Wastelands domain (Hugh Jackman).
- **Why:** it's **the perfect way into Battleworld**. Millar and McNiven's "Old Man Logan" (2008) became a **Battleworld domain** in *Secret Wars* (2015), and Bendis's tie-in walks Logan **across the borders to God Doom's law**. Jackman is 59, the right age to play Logan **fifty years after the villains won**.
- **Release date:** Friday, March 3, 2028, eleven years to the day after *Logan* (real history).

PHASE 6 FILM #2: SPIDER-MAN: RENEW YOUR VOWS

- **Character:** **Peter Parker** of the Regency domain, **married to MJ**, with a daughter, **Annie** (Tom Holland's fourth Spider-Man film).
- **Why:** *Renew Your Vows* (2015) is **Spider-Man's own Secret Wars story: the Peter who chose his family. Our 616 Peter married MJ in 2022 and lost her when the world ended*, so this is the life he'll never have. The post-credit scene is Secret Wars #2: the Life Raft opens.***
- **Release date:** Friday, July 7, 2028. Independence Day week.

PHASE 6 SERIES #1: GHOST RACERS (Disney+)

- **Character:** **Robbie Reyes / Ghost Rider**, with **Johnny Blaze**. First appearances: *All-New Ghost Rider* #1 (2014) and *Marvel Spotlight* #5 (1972).
- **Why:** the MCU's first **Ghost Rider** in a **Battleworld** series. *Ghost Racers* (2015) puts **every Ghost Rider in a death race for Doom's entertainment**, which shows **how God Doom keeps his world in line: bread and circuses**.

- **Schedule: 8 episodes, Tuesdays, October 3 to November 21, 2028**, 44–52 minutes each. **TV-MA**. The Halloween episode airs **October 31**.
