| #1, #3 and #4 (September 1963 to March 1964) happen within about five weeks | The MCU calendar |
 | Cap and Namor's WWII history as Invaders is played up | It pays off the *Captain America* montage |

- Loki redirects the call to **Dr. Donna Blake**, and **Iron Man, Ant-Man and the Wasp** also pick up the signal.
- The heroes meet in the desert as strangers. They find the Hulk **hiding in a traveling circus as "Mechano the Robot."** It's the funniest set piece in Phase 1, and it turns into a four-way brawl.
- **Thor sees Loki's trick for what it is** and goes after him to Asgard.

ACT TWO: ASSEMBLED

- In Asgard, Loki's trolls and illusions hold off Thor. On Earth, **Ant-Man and the Wasp** work out where Loki's astral form will come back to Earth.
- They lure Loki into a **lead-lined trap** at ant size. Thor sends him back to the Isle of Silence.
- In the desert, five exhausted heroes stand together. Iron Man says they work well as a team. **The Wasp: "It should be something colorful and dramatic... like 'the Avengers'!"**
- **Avengers Mansion.** Tony gives the team **890 Fifth Avenue**. **Jarvis** serves tea. **Fury** arrives with a charter and a S.H.I.E.L.D. liaison, and **the Avengers Initiative** becomes real.
- **Hank debuts as Giant-Man.**

ACT THREE: THE MAN IN THE ICE

- The team doesn't trust the Hulk. Tony wants him monitored and Hank wants a tranquilizer, and **Bruce hears them**.
- **The Hulk quits** and walks out into the night.
- In the North Atlantic, **Namor** has come back from decades of exile at sea. He's angry at the surface world and **recruits the Hulk**.
- **The Battle of Gibraltar:** the Avengers vs. the Hulk and Namor. The Hulk and Thor fight each other **to a standstill**, and the Hulk **leaps away** undefeated and alone.

- Furious, Namor comes across **Inuit hunters on the Greenland ice worshipping a figure frozen in a block of ice**. Disgusted, he **throws it into the sea**.
- The block drifts into the **Gulf Stream** and starts to thaw.
- The Avengers' submarine hauls it aboard. A man in a star-spangled uniform opens his eyes: "**BUCKY!**"
- **Captain America** wakes up in 2012, 67 years later.
- **Namor leads Atlantis** against **New York Harbor**. Within the hour, **Cap leads the Avengers** into battle.
- On a sinking pier, Cap faces his old Invaders comrade.

CAP: *"We fought side by side, Namor. Don't make me fight you now."*

- Namor looks at him for a long time. Then he **orders Atlantis to withdraw**.
- **Avengers Mansion, night**. Cap stands before the team. Fury gives him the shield, recovered from the sea floor. **The Avengers ask him to join**.
- The final rallying cry. Cap raises the shield: "**Avengers... ASSEMBLE!**"

EPILOGUE

- A dive bar in Brooklyn. **Claire Barton** and **Natasha Romanoff** watch the Avengers' first press conference on the TV above the bar.
