| Field                    | Entry                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Primary comic(s) adapted | <i>Amazing Spider-Man: Renew Your Vows</i> #1–5 (2015), Dan Slott & Adam Kubert, the <i>Secret Wars</i> tie-in: in the Regency domain of Battleworld, <b>Peter and Mary Jane stayed married</b> and have a daughter, <b>Annie</b> . When <b>Venom</b> threatens his family, <b>Peter chooses to save them</b> instead of joining the heroes' last stand against <b>the Regent, a villain who absorbs the powers of every hero he captures. Eight years later</b> , Peter <b>hides his powers</b> . Then <b>Annie's powers appear</b> , and <b>the Regent comes for her</b> . The Parkers fight <b>as a family</b> . |
| Supporting comics        | <i>Amazing Spider-Man Annual</i> #21 (1987, the wedding; already adapted in <i>Kraven's Last Hunt</i> ) · <i>Amazing Spider-Man</i> #300 (1988, <b>Venom</b> ) · <i>Amazing Spider-Man: Renew Your Vows</i> vol. 2 (2016–18, Gerry Conway & Ryan Stegman: <b>Annie as Spiderling</b> , MJ in her own suit)                                                                                                                                                                                                                                                                                                          |
| Nerf check               | ✅ <b>The Regent has absorbed the powers of dozens of heroes. He beat the Avengers. Peter has to fight smarter</b> , and he wins with <b>MJ and Annie</b> , as on 616. <b>Peter, holding back for eight years</b> , is <b>still Spider-Man at full strength</b> when he chooses to be.                                                                                                                                                                                                                                                                                                                               |

#### 3A. COMIC ACCURACY REPORT

| Field                  | Entry                                                                                                   |
|------------------------|---------------------------------------------------------------------------------------------------------|
| Overall accuracy score | <b>96%</b> . <i>Renew Your Vows</i> #1–5 are adapted closely, and MJ's suit comes from the 2016 series. |

##### Straight from the page:

- In Regency, **Peter and MJ are married**, with a **daughter, Annie** (#1).
- **Venom** comes for **Peter's family** (#1).
- **Peter saves MJ and Annie** and isn't there when **the Regent defeats the heroes** (#1).
- **The Regent absorbs their powers** and **rules the city** (#1).
- **Eight years later**, Peter is a **hidden hero**, living with **guilt** (#2).
- **Annie develops spider-powers**, including a **precognitive "spider-sense"** (#2).
- **The Regent's hunters** track her down (#2–3).
- **The Parkers fight together** (#3–5).
- **The captured heroes are freed** (#5).
- **The Regent falls** (#5).

##### Changes and why:

| Change | Why |

|---|---|

| **Tom Holland plays Regency's Peter** (a Battleworld variant) | **The same actor**, a different life: **the Peter who kept his family**. Earth-616's Peter is asleep on the Life Raft. |

| **MJ wears a suit** in the finale (616: 2016's vol. 2) | She **fights beside Peter and Annie**, true to the series that followed |

## POWERS & ABILITIES

| Character    | 616 powers & abilities                                                                               | Shown in this film       | Held back (why) | Match     |
|--------------|------------------------------------------------------------------------------------------------------|--------------------------|-----------------|-----------|
| Spider-Man   | Spider-strength (lifts ~10 tons), agility, spider-sense, wall-crawling; <b>genius</b> ; web-shooters | All of it                | –               | ✓<br>100% |
| Annie Parker | Spider-powers from birth; a spider-sense that sees the near future; instinctive webs                 | All of it                | –               | ✓<br>100% |
| Mary Jane    | No powers; a fighter in her own suit (vol. 2)                                                        | The finale               | –               | ✓<br>100% |
| Regent       | Absorbs and keeps the powers of the heroes he captures                                               | Dozens of powers at once | –               | ✓<br>100% |
| Venom        | Symbiote strength, immune to spider-sense                                                            | The prologue             | –               | ✓<br>100% |

## 4. STORY

| Field                | Entry                                                                                                                                                             |
|----------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Logline              | In one corner of Doom's Battleworld there's a Peter Parker who chose his family over the fight, and eight years later his daughter is starting to stick to walls. |
| Theme                | With great power... and great love. Is it ever wrong to choose the people you love?                                                                               |
| Villain / antagonist | REGENT                                                                                                                                                            |

### What the movie is about

#### ACT ONE: THE CHOICE

- **The Regency domain.** Peter and MJ, married, with a baby girl. **Venom** attacks, and **Peter can't save his family and his friends at the same time.**
- He chooses **MJ and Annie.**
- **The Regent** beats **the heroes**, and **takes their powers.** Peter watches from a window with his daughter in his arms.

#### ACT TWO: EIGHT YEARS LATER

- **Peter is a science teacher.** **Annie**, eight, **catches a falling glass before it falls.** Peter goes white.
- **The Regent's enforcers** police the city. **Anyone with powers disappears.**

- **Annie's powers** can't be hidden. **The Regent's hunters** find the family.
- **Peter puts the mask back on**, and it's **the most joyful fight in the franchise**.

### ACT THREE: THE PARKERS

- **The Regent's prison: dozens of heroes** plugged into his machine.
- **MJ in her own suit, Annie in a homemade Spiderling mask**. They fight **as a family**.
- **Peter and Annie** crack the machine. **The heroes wake up**.
- **The Regent falls**. And **Regency is free**.
- **The last shot**: Peter, MJ and Annie on a rooftop at sunset, looking at **Doom's statue** on the horizon. Annie: *"Who's that?"* Peter: *"...The guy who owns everything, sweetheart."*

## 5. MCU TIMELINE PLACEMENT

| Field                   | Entry                                                                                                                                                                                                                               |
|-------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| When it's set           | <b>Battleworld: the Regency domain</b> . Prologue: " <b>eight years ago</b> " (Doom's built-in memory). The main story: <b>Monday, April 3 → Saturday, June 17, 2028</b> . The post-credit scene: <b>Tuesday, August 15, 2028</b> . |
| Where it's set          | <b>Battleworld: Regency</b> (a New York City domain)                                                                                                                                                                                |
| Relative to other films | It follows <i>Old Man Logan</i> . <b>The Life Raft opens</b> in the post-credit scene, <b>eight months after the end</b> ( <i>Secret Wars</i> #2).                                                                                  |

## 6. WORLD-BUILDING

### The film's own world

- **The Regency domain** is free. **Annie Parker** is Spiderling.

### World-building for the wider MCU

| Seed                             | How it appears                                      | Payoff                |
|----------------------------------|-----------------------------------------------------|-----------------------|

| Mid-credit scene       | ✓ "ALLOWANCE." Annie asks for <b>her own web-shooters</b> . MJ: " <i>When you're thirty.</i> " Peter: " <i>Twenty.</i> " MJ glares. Peter: "... <i>Thirty.</i> "                                                                                                                                                                                                                                                                                                                                          |
| Post-credit scene      | ✓ "THE RAFT." Tuesday, August 15, 2028. A beach on Battleworld. <b>A metal hatch</b> in the sand <b>hisses open</b> . <b>Peter Parker of Earth-616</b> crawls out, coughing, <b>alone</b> , and <b>still wearing his wedding ring</b> . Behind him the <b>Life Raft</b> is waking up: <b>Reed. Carol. Shuri. Thor</b> . Peter looks at the sky, a sky <b>with no Earth in it</b> , and at <b>a giant statue of Doom</b> on the horizon.<br><b>PETER: "...MJ?" CUT TO BLACK. "SPIDER-MAN WILL RETURN."</b> |
| Secret shoot codenames | Mid-credit: " <b>GROUNDED.</b> " Post-credit: " <b>LOW TIDE.</b> "                                                                                                                                                                                                                                                                                                                                                                                                                                        |
